Andalusia

Since 2500 BC, "The land between two continents and two oceans" is a favored destination for the nations. From 409 until 429, The Vandals, a Germanic people, occupy it and name it "Vandalusia". In 711 Andalusia witnesses the booming time of the Umayyad dynasty, and the discovery of the New World by Christopher Columbus in 1492, marks its golden age that will remain until its decline in the 17th Century. Despite all the conflicts and fluctuations, a lasting influence emerged from its cuisine, its architecture, its gardens and its textiles.

Depuis 2500 ans avant JC, « La terre entre deux continents et deux océans » est une destination privilégiée pour les nations. De 409 à 429, les Vandales, peuple germanique, l'occupent et la nomment "Vandalusia". En 711 l'Andalousie vit l'essor de la dynastie des Omeyyades et la découverte du Nouveau Monde par Christophe Colomb en 1492, marque son âge d'or qui demeurera jusqu'à son déclin au 17ème siècle. Malgré tous les conflits et les fluctuations, une influence durable a émergé de sa cuisine, de son architecture, de ses jardins et de ses étoffes.

Birds of Paradise

Stirred by Asian art, Persian miniatures called « Negârgari » portray themes associated to Persian myths and poetry. It glorifies this art by representing a poetic and elegant space, richly detailed, indulging us in a dreamland and the notorious "gardens of paradise". The miniatures are adorned with majestic manuscripts, stunning colors and geometric and floral patterns. According to the collection of medieval poems "The Conference of the birds" written by Farid Al Din-Attar in the VIIth century, the birds, metaphors of the human being, are on a perpetual journey seeking enlightenment and spirituality.

Inspirées par l'artisanat asiatique, les miniatures Persanes dites « Negârgari » illustrent des thèmes liés aux mythes persans et à la poésie. Ces dernières glorifient cet art en représentant un espace poétique, élégant, richement détaillé, ouvert vers le rêve et les «Jardins du Paradis». Elles sont ornées de manuscrits majestueux aux couleurs sémillantes et de motifs géométriques et floraux. Selon le recueil de poèmes médiévaux «Le Cantique des oiseaux», écrit par Farid Al Din-Attar au XII ème siècle, les oiseaux, métaphores de l'être humain, sont en continuel cheminement, à la recherche de l'illumination et de la spiritualité.

Kaokab

The sky has always been a mystery that fascinated earthlings. It lulls us to escape towards a limitless elsewhere. In old times, thinkers and sages are so captivated that they generated the most ancient discipline: astronomy. During the golden age of Islam in the VIII^e century, art was enhanced with recurrent geometrical patterns such as the octagon and the 8 pointed stars. 'Kaokab' meaning planet, will immerse you in an enigmatic universe.

Le ciel est un mystère qui a toujours envoûté les locataires de la terre. Il nous procure une sensation d'évasion vers un ailleurs illimité. Jadis, savants et sages s'y passionnent pour fonder la plus ancienne des sciences : l'astronomie. Au VIII^e siècle, à l'âge d'or de l'Islam, l'art se brode de motifs géométriques récurrents tels que l'octogone et l'étoile à 8 branches. 'Kaokab' signifiant 'planète', vous plongera dans un univers énigmatique.

Opera

A collection inspired by the geometric hand painted zouaq panels adorning the interior of the main foyer in the Royal Opera House Muscat, in delicate shades of ivory, almond, teal, rose gold, coral and burgundy.

Opera est une collection inspirée des panneaux de zouaq géométriques peints à la main qui ornent l'intérieur du hall principal du Royal Opera House a Muscat. Déclinée dans des tons délicats d'ivoire, d'amande, de canard, d'or rose, de corail et de bordeaux.

Safra

Safra or Yellow. This collection is based on a sleek and stylish art and strengthens an inner atmosphere of meditation. Visually, your eyes may eliminate the dark or light forms but whichever one you choose, you'll notice perfectly shaped zelliges.

Safra ou Jaune. Cette collection est basée sur un art élégant et stylé et renforce une atmosphère intérieure de méditation. Visuellement, vos yeux peuvent éliminer les formes sombres ou claires, mais selon celles que vous aurez choisies, vous remarquerez des zelliges aux formes parfaites.

Vagabonde

Images d'Orient has a bohemian soul and goes hunting for patterns from the millennial weaving looms, and colours from the sparkling world of silk, the flamboyant warmth of velvet and the soothing feel of linen. A vagabond desire to explore the roads of yesteryear, these paths that speak of discoveries and encounters; of multi-belonging or being from here and elsewhere.

Images d'Orient a une âme vagabonde et s'en va chiner ces motifs des Métiers à tisser millénaires, et des couleurs des univers chatoyants de la soie, flamboyants du velours ou apaisants du lin. Envie bohème d'aller à la conquête du monde ; envie de mixité et de mélange ; envie d'emprunter ces routes d'antan, ces chemins qui parlent de découvertes et de rencontres ; pluri-appartenance ou être d'ici et d'ailleurs.

Melamine Salad Bowl | Saladier en Mélamine

In our spirit of sharing and generosity, we have created multi-purpose melamine bowls. Melamine is a very versatile product that can fit easily in a garden or in a home.

Dans notre optique de partage et de générosité, nous avons créé des bols en mélamine à usages multiples. La mélamine est un produit très versatile, facile à vivre tant dans un jardin que dans une maison.

TABLEWARE | VAISSELLE

The principle of stackable objects found in Russian dolls is reflected in the interlocking or superposition of objects. In this playful and efficient spirit, we created stackable trays, in sets of three sizes that can be sold in packs or separately. Squares or rectangles, they can serve as food trays or as decorative objects.

Le principe des objets gigognes que l'on retrouve dans les poupées russes se traduit par l'emboîtement ou la superposition d'objets. Dans cet esprit ludique et efficace, nous avons créé les plateaux gigognes, de trois tailles différentes, vendus ensemble ou séparément. Carrés ou rectangles, ils peuvent servir de plateaux alimentaires comme d'objets décoratifs.

Porcelain Fragrance Diffuser | Diffuseur de Parfum en Porcelaine

To appropriate a scent or a perfume is your way to give an identity to your home. Images d'Orient has created perfume diffusers with different fragrances to suit your interior. These fragrances are made in the UK, and are free of alcohol and pesticides. Little trick: to transform your diffuser into a beautiful vase, just remove the 2 top cap elements and place some flowers!

S'approprier une senteur ou un parfum, c'est vouloir donner une identité à sa maison. Images d'Orient a créé des diffuseurs d'ambiance dont les parfums nous viennent du Royaume-Uni et sont sans alcool ni pesticide. La petite astuce pour transformer ce diffuseur en vase décoratif, est de retirer les deux éléments qui servent de couvercle et d'y placer un joli bouquet de fleurs !

Components / Composants

- Vase / Vase
- Vase Cover / Couvercle de vase
- Fragrance Container / Flacon de parfum d'intérieur
- Fragrance sticks / Bâtonnets de fragrance
- 150 ml Fragrance / Eau de parfum d'intérieur de 150ml

Available Fragrances / Fragrances Disponibles

- Patchouli / Patchouli
- Jasmine / Jasmin
- Rose & Oud
- Sandalwood / Bois de Santal

- No animal testing / *Aucun test sur les animaux*
- Alcohol Free / *Sans alcool*
- The finest fragrance integrity / *Gamme de fragrances de haute qualité*

Warning / Attention

- Our PVC products are not toys. Refrain from giving them to small children and do not put in mouth/ *Nos produits en PVC ne sont pas des jouets.*

Évitez de les donner aux enfants en bas âge et ne pas mettre en bouche.

Images d'Orient, a brand with a Lebanese soul

Images d'Orient, un label à l'âme Libanaise

'Images d'Orient' was created 25 years ago, when we were back home, back to our roots and beloved memories, back to Lebanon.

Everything around us was being modernized and our treasured heritage was fading with the emergence of a new aesthetic.

It was then that we decided to create "Images d'Orient", a contemporary concept that will pay tribute to the legacy of Mediterranean and ancient civilizations with various tabletop and design objects.

Every collection carries a particular inspiration, from "Kaokab" and the conquest of the stars, to "Andalusia" and its shimmering world, "Birds of Paradise" with its poetry and medieval myths and "Vagabonde", tapping into the bohemian desire to go out and conquer the world.

Two decades later, we still feel the need with our great team, to preserve and affirm the richness of what is nowadays so easily erased.

Un label à l'âme libanaise, fondé par Peggy Raphael Dabar et Charbel Raymond Raphael.

'Images d'Orient' a été créé il y a 25 ans, alors que nous étions de retour chez nous, de retour à nos racines et à nos chers souvenirs, de retour au Liban.

Tout autour de nous se modernisait et notre précieux héritage s'estompait avec l'émergence d'une nouvelle esthétique.

C'est alors que nous avons décidé de créer « Images d'Orient », un concept contemporain qui rendra hommage à l'héritage des civilisations méditerranéennes et anciennes avec différents objets de l'art de la table et d'objets design.

Chaque collection porte une inspiration particulière, de « Kaokab » et la conquête des étoiles, à « Andalusia » et son monde chatoyant, « Birds of Paradise » avec sa poésie et ses mythes médiévaux et « Vagabonde », puisant dans l'envie bohème de s'évader à la conquête du monde.

Deux décennies plus tard, nous ressentons toujours le besoin avec notre super équipe, de préserver et d'affirmer la richesse de ce qui aujourd'hui s'efface si facilement.
